

Wi-Fi

Connect to the MWCC Wi-Fi

Any use of the MWCC wireless network falls under the MWCC Information Technology Acceptable Use Policy, located at mwcc.edu/aup

Guests & Chromebooks

- Select "MWCCGuest" from the available networks
- Accept the College's use policy in the "Secure Internet Portal" window
- If the window doesn't open, type "mfstconnecttest.com" in your web browser, press enter

Students, Faculty & Staff

iPhones & Windows

- Select "eduroam" from the available networks
- Enter your iConnect username + @mwcc.mass.edu (e.g., jsmith1@mwcc.mass.edu)
Note: Students must add ".mass" to their email address
- Enter your iConnect password
- If prompted, select "Trust this certificate"

Android

- Select "eduroam" from the available networks
- Ensure "PEAP" is selected under EAP method
- Enter "mwcc.mass.edu" under domain
- Enter your iConnect username + @mwcc.mass.edu
- Note: Students must add ".mass" to their email address
- Enter your iConnect password
- If prompted, select "Do not validate" or "None"
